“ *Georgann... so sorry to have read in an old Monroe Watchman about your Daddy passing away. Emma Lee and I have meant to contact your Mom and Dad so many times. We wait to long don't we. I was going to try and contact you but I have no idea what your last name is... so that did not work. Let me just say from Emma Lee and I that I am truly sorry about your loss. My Dad thought there was NO ONE like your Mom and Bernice and we should have all stayed in touch. I would love to hear from you. Linda*
