“ *Edith was married to my Uncle Harry for 35 years and they loved each other dearly. It was evident anytime you saw them together. They were always kind to my mother after my dad died & Uncle Harry made sure they came & took her out on her birthday. Edith was one of our family and we enjoyed visiting with her whenever we could. I will miss knowing she's on this earth. My sympathies go out to her family and friends.*

*Thank you very much for your kind words. Mother considered everyone of Harry relatives, especially the children, as part of her family.*

“ *My condolences to all the children and their families. I first met Edith when she and Dyer first got married and came to Whitetop, VA to visit Aunt Alice. I was just a child but I can still remember how she looked then. I'm sure you will miss her very much. I hadn't seen her for several years.*

*Mother has told us stories of Aunt Alice all my life. I am too young to remember her but the older two do with love. Thank you for your kind words and remembering us in this time of such grief.*
