“ This is to his family. I worked with Buck for about the last 15 yrs he worked in Princeton. All I can say is that it was a true joy I learned so much from him about working old outside phone lines to what a man should be. He was a quite man if he needed to ask you a question he would side up to you and ask you in a low tone. He would not speak out to belittle anyone but he would never step back from anyone. He has always had a fond spot in may heart.

“ If a man should die, can he live again? Hear the promise God has made. He will call, the dead will answer. They shall live at His command. For He will have a longing for the work of His own hand. All those who in God's memory stay, from death (sleep) He will awaken Job 14:13-15 John 6:40 John 11:11-44 Resurrection of Lazarus John 5:28,29
