“ Dear Eleanor,  
I know you are dancing and clapping and smiling so big. You have left a hole that will never be filled. Your smile and laughing eyes will be missed by so many.. You were an easy target to pick on and the boys all would pull your leg so much.. Your love for everyone will be missed by so many. I remember the time Dean had you so upset and pitying the woman "that he pulled her leg" when in reality he actually pulled your leg and Donalds and Raymond (who no one ever got) he talked about that forever. You have earned the best seat ever at the Lord's table. I dont question where you are because I know and so does everyone else. Your sunday dinners will be missed and Lord who is going to make the tea now? When we see butterflies and cardinals we know who it will be.. Rest peaceful my beautiful sisterinlaw. You are gonna be missed truly missed. Love you forever... Jenny Marie
