“ *My thought and prayers are with you. Aunt Corrine was such a part of our lives every day when we were growing up. She was playing Rook with Horace, Mom, Dad and myself when I went into labor with my first born. I was not sure they were going to stop playing the game to take me. One never interrupted the rook game. We left at 11:00 pm and my baby was born at 12:54 am. That was close. I know that now they are all together again probably playing rook. She will be missed.*

“ *Corine was a very special lady in our lives. She took us under her wings, as she did other young couples at the church and thought of us as "her kids".*

“Charlotte, Aunt Corine's daughter and I were same age and have shared a lot of memories when were young and the good ole school days. Aunt Corine's visited our home when I was growing up quite a bit. Had a lot of memories. Charlotte was like our sister since she was the only child and there were seven girls in my family. Still would visit her when I came home. I wish I could have been there at the nursing home with Aunt Corine more. Now she can see Charlotte and Uncle Horace and all her family. Shared a lot of joy and sorrow. RIP Aunt Corine, loved you. Melba
