“ *The death of a loved one can leave us with so many questions. We may wonder when we will get to see them again, if we will get to see them again. Well Isaiah 26:19 tells us that our loved ones will live again. John 5:28 says that there will be a time when all those in memorial tombs will come out. This will happen because Jehovah God's son, Jesus Christ, will resurrect our loved ones that have fallen asleep in death. It is not the end for them, and does not have to be the end for us. We just have to find out how to gain everlasting life, but rather than make you search through the Bible for that answer, I will simply tell you what the meaning of life is. If you want to gain life, Jesus said in a prayer to Jehovah, "This means everlasting life, their taking in knowledge of you, the only true God and of your son, the one whom you sent forth" (John 3:17). Never stop taking in knowledge of Jehovah and Jesus Christ. It means life, so you will be able to live in paradise with Ellen (Psalms 37:29). - Have a peaceful day and remeber God wants to comfort you. (James 4:8)*
