“ I am so very sorry for the loss of our dear friend Erin. Erin was an amazing professional in the field that desperately needs genuinely big hearted helpers. I loved working with her and sitting down and chatting any chance we could. I regret not trying to a hold of Erin earlier this summer as planned. I was so excited to share my new pregnancy as she was so supportive and wonderful throughout my first. Erin will be missed very much. One day we will reunite in heaven and have that BBQ we intended to have so many times.

“ Erin #11 was a very special friend and teammate in high school. We shared many special moments on and off the basketball court that I will cherish for a lifetime. She was always someone I could turn to in time of need and telling me to get up early before school and come to bible study. I know she is an angel in heaven. I feel blessed to have known her. I pray that her family and friends will be comforted during this time. God Bless you all!

“ *Mostly I remember Erin from Trinity United Methodist Church, and her little brother Tim, and my little brother Keith, drove us crazy with their Broadway Show Tunes! We were all, of course students at BHS together. My deepest condolences to Catherine, Patrick, Michael, Tim, Mrs. Haye, and Mr. Haye. You are in my thoughts and prayers.*
