I met Erma at the place where she loved doing what she loved the most, at an auction. We became instant friends, I loved her and her family. If only I could hear her one more time call my phone and hear her say "Hey girl". My thoughts and prayers are always with her family. My heart is broken.

“*My heart is broken over my wormy as I use to call her. We became friends when we worked at Westgate Acme she was one of those kind of friends whom you can go years and do not see but know how we loved each other. I love the whole family Kim Terry and Fred. Girls I know how much you loved your mother but I know she would want you to try and be strong for your dad. I love you guys I will be praying that God will give you strength to make it through this lost and hurt.*

“ Erma was a wonderful neighbor and friend when we lived in Rocky Gap. I have thought of her and family so many times over the last 20 years.

“ I remember the years of Erma Jean coming to our house to, " baby sit." I also remember a certain brother whose nose was out of joint as he thought he was old enough to be master of the house in our parents' absence. My thoughts and prayers are with Erma Jean's family. I know Edith and Erman welcomed their adored daughter with open arms.
