“ I was proud to serve in the Air Force with Sammy. There was never a sweeter man than he. I came across some moments from my Air Force days and thought I'd look him up, sadly to learn of his passing.

“ Mrs Froy and children,  
I just learned of Sam's passing and I'm so sorry. I have known Sam for approximately 40 years, as Sam and I attended Cumberland Heights Elementary together. I often saw Sam at the post office and always enjoyed speaking with him. He told me that he sick but never mentioned cancer. We always talked about the renovations at your home on Walton Street and how that was going. I know these are hollow words, but if there is anything that I can do for you, please do not hesitate to call me @ 276.928.0003.

“ *My sincerest condolences to Sammy's entire family. Sammy was a great friend and we shared many good, happy times both in New York and in West Virginia. My heart goes out to his family for their loss of a good husband, father and son. Please know my sincerest thoughts and prayers are with you during this time. My heart is saddened with our loss, but it is also filled with joy as I know Sammy is in a better place - no more sadness, no more sorrow, no more sickness, no more pain. He is with our Heavenly Father and is at peace.*

*For all that we can look back on ...  
For all that we can look forward to ...  
May your heart find true comfort and hope.*

*With love to each of you.*

*Lynn*
