“ The "Florida" Linkous family regrets not being able to attend today's service for our favorite uncle! What happy memories of this special person and his charming late wife, Margaret. We were all proud of our "champion," the only known Linkous with true athletic ability, and we marveled at the room full of trophies at his "little doll house" on the hill in the city he loved. He made us laugh, his smile was infectious, and we looked forward to his annual visits to Florida for so many years. All of us have seldom met anyone with whom we associate nothing but fond, happy, loving memories. As long as we are living, his spirit lives with us as well. Loving wishes to all from Anne, Cavil Lee, Gary, Carol Anne and Lee Douglas Linkous.
