“ Eva has a very special spot in our lives here in Maine. She gave us each of us our own special gift. She gave Wayne the gift of true love, she gave Waynes family someone special to hold dear, as she touched us all with her sweet smile and her loving way. She gave a nurse a new out look on the care she will give, and she gave friends warmth with her smile and giving personality. All of us wish we knew more so that we could have been there more for her. As I do not thinks she knew just how much we loved her. Eva, you were and are very much loved!!!!

“ I am sorry to hear about Eva's passing. She was one of my fourth grade students years ago at Rocky Gap Elementary School and I will never forget her. She was quiet, but as you know, "still waters run deep." May your memories give you strength.
