“ *Art and Family, My prayers are with each of you and hope that you can find comfort in the coming days. Love and prayers, Cathy's Little Sister as Evans always called me. You can shed tears that she is gone, Or you can smile because she has lived. You can close your eyes and pray that she'll come back, Or you can open your eyes and see all she's left. Your heart can be empty because you can't see her, Or you can be full of the love you shared. You can turn your back on tomorrow and live yesterday, Or you can be happy for tomorrow, because of yesterday. You can remember her and only that she's gone, Or you can cherish her memory and let it live on. You can cry and close your mind, Be empty and turn your back, Or you can do what she'd want: Smile, open your eyes, love and go on. Author Unknown*
