“ *As a police officer I had the pleasure of working with Bud for 3 yrs at the Gibsonville Police Dept. Since we were both from the Bluefield area we had lots in common and talked about the "way it used to be" back in the 60's and 70's. Bud loved his job and was always concerned about the safety of the officers he worked with. I am sorry to hear of his passing and my thoughts and prayers are with your family at this time.*
