“ *My memories of "Stretch" are wonderful ones! Sitting on the front porch with him and Beulah and some of our other neighbors were some of the best from my childhood. He had such a big heart, and to spite his gruffness at times, anyone who truly knew him knew this was true. I loved laughing with him and I am grateful I got to see him and Beulah not too awfully long ago. God's Blessings be yours dear Sir, my prayers are with you. I bet incredible sports games are played in heaven! +*

*My prayers for you, Joey. I have never known two parents more proud of their son+*

“ *Joey, Blair and I were very sorry to hear about your dad. He has known me for over 50 years and all the good memories we all had on Frederick ST., And yes He was the handyman, whenever Mom needed him always around. Will miss seeing him when we come in for a visit. Our prayers and thoughts are with you and your family during this sad time. Love, Mary E. and Blair*
