“ *I am so sorry to hear of Jackie's passing but sounds like our Lord and Saviour had his angels sounding their welcoming trumpets. I remember playing with all you guys growing up and we lived near laeger Elementary. GOD Bless*

“ *I was a customer and friend to Jackie for about 20 years. We shared many common things during that time --the deaths of our parents, coping with depression but also good times like gardening. She will always be in my heart. I wanted to come to the funeral today, but I can't face that she is gone. I will miss her.*

“ To: *The Lively Family*; Jackie was a very sweet and special person. Was looking in the 1974 yearbook and the pic of Ms. Hebert's homeroom being the 1st in selling all yearbooks brought back a lot of memories for since I first met her in Jr. High. Yes, she was in my homeroom and had a wonderful, yet, conservative outlook on life and those that surrounded her.....Jackie, take care in your new life cause you are welcome with open arms. May God grant each of you the comfort during this trying time and ease your minds with His word.

“ Jackie was like a sister to me, we worked together since December of 1986. She was so special and shared her love for hair with me and taught me all about the world of hair and life in general. She will always be with us in our hearts and I love her so much. I am glad she is not suffering any more and she is resting and at peace. Sincere sympathy to her family. We pray for peace and understanding for her family and friends. Thank you for being part of my life for so long. You are a shining star in the world now. Peace to you Jackie I will miss you always. Love Connie
