“ don't know that anyone would even remember me but Mr. and Mrs. Kell were my neighbors on Windmill Gap. They watched my sisters and I grow up until we moved away in 1987. We loved going to visit them and I would always take Mrs. Kell flowers and just sit and talk to them. They were the most loving people. Mrs. Kell will be missed. She was a fine lady. I will be praying for comfort for you all. Just thought I would share my childhood memory.
