“ To Norma and Family: My heart goes out to you all at this difficult time. I ask that God wrap you in his loving arms and guide you through this now and in the days to come. May you feel his presence while you endure the feelings you are having at this time of the loss of your loved one. Just being your neighbor, I can tell that you are a close family. With the presence of family and all those children around, I'm sure Mr. Walker loved the laughter and smiles they brought to his face. He will be smiling down on each and every one of you now. Watching over you and wanting that love and laughter to continue. My thoughts will be with you and will lift you up in my prayers. If there is anything I can do, please know I am here for you.
