

Frederick Swetnam

May 26, 1945 - July 20, 2025

Frederick Henry Swetnam was born on May 26, 1945 in Roderfield, WV, and peacefully crossed over to be with the Lord on July 20, 2025 at his home in Bluefield, WV.

He loved his family, golf and all things West Virginian. He will be forever loved and missed by his wife, family, friends and fur babies.

In keeping with his wishes, he will be cremated and there will be no service. Nothing would honor him more than playing a round of golf in his memory. There is no doubt that he already has a foursome together in Heaven.

In lieu of flowers or other expressions of sympathy, the family is suggesting that a donation be made to a local animal shelter.

The family thanks you for your love and prayers to help us through this time of mourning.

“ Was a fraternity brother to Fred at WV Tech. We worked together at PPG, returned to Tech and had every class together as we completed our engineering degree. Kept up with Fred for several years after graduation. Lots of good memories. David Childers
