“ *Please accept my expression of Christian love in the passing of this Disciple of Jesus Christ. I continue to be grateful for Dan's music at the Memorial Service for my wife Joan in July 1994.*

“ Dear Aunt Dollie, Danny, George William and Tammy,
My heart is with you. I am so sad for you in this difficult time and the days that have led here. Uncle George was such a source of inspiration to me, especially when I was a child. His hands in the soil were magical. What he brought forth from the earth was filled with such love. For me, this instilled a sense of awe and respect for the garden and the plant world, that I carry in life. I am forever grateful to Uncle George for this of many gifts. His gentle, kind soul will be missed on earth. But his life was well lived and touched so many. Let your pride and love of him help to ease your grief now and know that Eddie, Olivia and I send you our love and support, and wish we could be there with you now.

Much love,
Betsy

“ Dan, Dolly and family,
Please know that you are in our prayers as you remember your beloved George. He was a fine man of faith, and we are all poorer without him here. You will all continue to bring honor to his memory as you share the wealth of love, faith, and leadership that he has left to your care. God's blessings and Peace to you all.
