“ *Sue and Family*

Please accept our sincere sympathy. Doug was part of our Clifffield family.

In the relative short time I knew Doug as a young, semi-adult, he had a positive impact on my early life. After deciding working for the N&W was better than further education after HS, Doug when possible let me tag along with him at work, on weekends, and taught me fundamentals of telegraphy/tower operations. Although I worked only a short time before leaving to fulfill my military obligation (it took 40 years) I always remember his patience with me and admired his expertise.

Always enjoyed seeing him when possible over the years. He will always be fondly remembered by me and the many, many who knew and respected him..

Rest in peace.

“ Sue and family, I loved Doug and the wonderful times we had talking hunting and fishing at the Wilcoe Yard Office many years ago. He came along in my life at a time when he was a great influence and I appreciate every minute we had together. I use to help him count coal car coming out of Gary Hollow. You will be in my thoughts and prayers as you go through your time of grieving.

“*Doug White was a jewel of a man! He was our neighbor years ago and we couldn't have asked for a better one. He always had a smile on his face and a kind heart! Even after they moved away from our neighborhood, they still were like family to us. Every funeral my family went through, you could count on Doug and Sue to be there for comfort and support. When my sister passed away two years ago, when we went to the cemetery, Doug was right there. Sue would have been there too, but Doug said she was sick but sent her condolence. Doug will be missed tremendously. He left a true legacy to all who had the pleasure of knowing him! RIP sweet Doug!*”
