“ *Dear Ginger and Family, Our thoughts and prayers are with you during this time. Hope the words below give you some comfort. Love, Alice Anne, Bobby and Randi Goodman You can shed tears that she is gone, Or you can smile because she lived. You can close your eyes an pray that she'll come back, Or you can open your eyes and see all she's left. Your heart can be empty because you can't see her, Or you can be full of the love you shared. You can turn your back on tomorrow and live yesterday, Or you can be happy for tomorrow , because of yesterday. You can remember her and only that she's gone, Or you can cherish her memory and let it live on. You can cry and close your mind, Be empty and turn your back, Or you can do what she'd want: Smile, open your eyes, love and go on. Author Unknown*

“ Dear Linda, Sharon, and Ginger, Daniele and I are with you in spirit during this time of mourning. We loved your mother and father and hope that this loss will strengthen your sisterly love for as Ed and I learned, once we lose our parents we become the older generation, the one our children after us look to for guidance and example. May we take our parent's example and let it bolster our family. Love, Jim and Daniele
