“ *My sincere condolences to Cecile & family. I just heard this news. Fred was my boss for many years at First Century Bank. He was a great person in many ways. I will remember him for so many life lessons learned while working with him. I've often thought of him after his retirement.*

“ *Uncle Fred will be truly missed. I loved his funny wit and easy going spirit. He was always a joy to be around and I wish we lived closer to each other so we could have seen each other more often. I admired his devotion as a husband to Cecile and father to Terri; he was a role model for many. Our thoughts and prayers are with Uncle Fred and family as we all mourn our loss.*
