“ *Our thoughts and prayers go out to everyone in the family. To all of Nanny's children, grandchildren, great grandchildren, and other family members. I'm so sorry for your loss. She was a wonderful woman. She was my Nanny for almost 30 years. I loved her dearly. Never seen her or heard of her being mean to anyone. I loved to go and visit with her, she always made me laugh and smile. She is an angel now. She's in heaven, smiling down on us. She is now pain free with no worries. I hope everyone finds comfort in knowing that she is in a much better place. I know you all will miss her, I for one will miss her.*

“ This is to my cousins whom I have held dear to my heart through the years. The long road of life has kept me far from home but my fondest memories have always been of the times I've spent at your home. The laughter, the ghost stories in the dark, my mom and yours escaping to the cellar. All the good times. I pray God keeps you close and comforts you all. The loved ones we have lost who are preparing a place for us when our time comes. I love you all, Ann.

“ To all of the Mrs. Wallace's family, I pray that you will be comforted by God and your many fond memories of her. I have many fond memories, during my school years knowing Mrs. Wallace. Anyone was always welcomed to eat with them. I had 2 dinners many evenings, one at home and then again with Marsha at Mrs. Wallace's house. My favorite thing to eat at her house was her homemade pan bread. I spent many fun evenings after school there, and overnights. Mrs. Wallace was always kind and welcoming.
