“ Jenna, I am so sorry about your loss. Your mother was one of greatest women I have had the privilege to know and call my friend. I will always fondly remember the wonderful times we've all spent together as you, Russell and April were growing up. The times that Jackie and I had visiting and talking out our problems and concerns were actually some of the best times I've ever had. She will always live forever in my heart and my memories. Jenna you will always be in my thoughts and prayers with love. Jackie's memory will always bring a smile to my face. She was a very special person loved by all. Jenna, I am always here for you, no matter what. I love you sweetie.
