“ *My world is a little less bright today my old railroad buddy! Of the thousands of railroaders I used to call to work my man, "old number 199", you were the BEST! I will never forget the great times we had at work or even running in to you around town at Bundy's or wherever! It was always an entertaining treat for me to get to hang out with you!! RIP JC, I know I'll see ya on the other side!!*
