“ *Jane was a really nice and sweet lady with a caring heart. She did a lot of good things to help others, but she never told of these. She had a compassionate and kind heart and she dearly adored her sons and granddaughters. Now I can tell how Grandma Hallie confided in me how Jane was her delight and favorite because she was considerate and extra loving toward her. That was Jane. My prayers to Jane's family at this time. God bless you all.*
