“ To my beautiful Great Aunt Jannie who never once forgot my birthday in 41 years and who always gave me such great comfort to hear her loving voice on the end of the phone asking about my family and sharing her memories with me. Aunt Jannie knew we were expecting another baby in March and her last words to me were "You pat that belly for me Keirda and tell that baby that I love her". I will miss you Aunt Jannie and love you very much!
