“ *My sincere symphony to all of Janice's family.I went to high school with Janice and we had so much fun.I didn't find out about her death until today. I live in Florida so it takes a few days for me to get the news.I had talked to her a while ago and I promised I would come and see her when I got back to Athens but I had some health issues and I had not gotten back in 3 years.We were a close bunch of girls and we lost another one of our group last year'.May she rest in peace.*
