I know your in a better place and I'm sure your looking down upon us and will be with us the rest of our time here on earth. I think about when we were kids and playing basketball together, going to bowling tournaments together and just being kids. Playing video games all night long til the morning. I love you Jeremy and will cherish the time I got to spend with you. Love always and forever, your big brother Charlie. Or as you called me..geeber gobe.*
