“ *Dear Barbara and family, I remember your mother so fondly. When we were in school I always felt that she wasn't that much older than us and you were so fortunate to have her as your mother. Along with her youth she was so vibrant and beautiful and I know you will miss her so very much. Give my thoughts of love and prayer to Sandra and Buddy and the rest of your family. Bless you, Barbara, May the Lord lift the weight that is on you now, Sincerely, Kay Hendrickson*

“ *We are so sorry to hear of Barbara's Mom's passing. It is something I think we all dread from the time we first learn about death. Moms are special. We hope to see you all again soon. We plan to be moving to Davidson, NC soon. Our daughters husband just retired from the Navy and will be working with an electronics firm there. I understand it is not too far a trip from there to Bluefield. Again , our condolences. Poss and Sandra*

“ I am a high school classmate of Barbara and Dave's and I worked with Jessie in the women's department of Montgomery Wards in 1956-57 (?) She was a joy to be around and so helpful to me learning my job. I liked Jessie a lot and have thought of her many times over the years. You are so lucky to have had her around for so long. My condolences to all her loved ones. Norma
