“ *I'll never forget how Bill & Jimmie were wonderful neighbors and how they joyed in watching Arthur ride down their hill on his BigWheel. Steve, they were so proud of you and beamed at the mention of your name. I am too. Your family is beautiful and so are you. God Bless You and Yours. Duard A*

“ *Carolyn-Bill, I am sorry about your loss. I just now found out. Have been in hospital since the 13th. Collapsed lung. Just got my computer yesterday and found this today. You have lots of good memories - and she was loved by a lot of friends. Be strong - let your friends help you, they want to. My thoughts & prayers are with you. Glad I knew your mamma. Love, Ruby*

“ *I loved going by and visiting with Jimmie when I picked up my Avon order. She always had a smile and kind words to say. I will never forget how much of an influence she was at church. We have lost a wonderful Christian and child of God. I will truly miss her!*

“ Dear Carolyn and family, I was so sorry to hear about Jimmie's passing, but she is in a better place now and not suffering any more and able to be with her loved ones that have gone on. She was a wonderful person and I know you and all her friends will sorely miss her. Shirley Atkins and I thought of her as a second mother. If there is anything I can do for you, please let me know. May God bless you all.

“ Carolyn, We are so sorry to hear about your mother. She was the first person to visit us when we moved to Pearl St. in 1997. She was always a great neighbor and friend to us. She kept an eye on our place when we were out of town in the summer. She would often call just to see how we were doing, and give us any neighborhood news. We will miss her very much.

“ Carolyn: So sorry to hear about your mother and my second mother dying. I hope you can be at peace with it knowing that she is no longer suffering and that she is with God in all his glory. Jimmie was a fantastic person, and will be missed by all who knew her. I'm not sure if you remember me, but I am one of the girls from the transcription department at Bluefield Family Medicine. I loved her as if she were my own mother. She was there for me through the death of my own mother and the unexpected death of my husband. Know that God is taking care of your mother and that she is seated at his feet in heaven. Her mansion is now complete in heaven and she has gone to live in that mansion until you and your mother are once again reunited in heaven.

“ Jimmie was a very special lady with a wonderful sense of humor. She loved her family and our Lord. She will be truly missed at our "Penney Pals" lunches and parties. I have many happy memories of Jimmie working with her at Penney's. We were all like family.
