“ Joe, Sandy, Whitney, and Haylea, Im not sure of any words that can ease your pain right now. Know that God is with you always. We loved Joey like a second son. He gave us so many happy memories. Ian had a true brother in Joey. He was a wonderful, moral person. We will miss his presence but will never forget all the good memories of him in our life. Love and Prayers,

“ I had the honor of working with and getting to know Joey @ the Mercer County Courthouse. He spoke often of his grandfather in FL and his baby girl. You could see the love he had for them both through his words. It is sad that he lived such a short life however, his life was complete with his daughter. He was a GREAT father. It saddens me that she will not get the privilege to know her father like we did. Hold onto the memories and share them with her. She is however, a part of him. God Bless you all.. You are all in my prayers. RIP Joey!

“ Our family aches for yours. We have never lost a child but we are so very sorry that you guys did. Joey and our son Justin Shrader loved playing sports together and our daughter Amber Neal loved cheering with Hayley. We feel like our kids grew up together. Justin and his wife had a baby girl in November that they also named Aubrey Faye. We love our granddaughter so much and we hope that you find some sort of comfort because Joey will always live on in her. Again we are so sorry and may God help you to heal and to find comfort. From everything I have read and from what I know you should be very proud of the young man that you raised. People have nothing but good things to say about him. We have you in our thoughts and our prayers.
