“ *I was so saddened to hear of your loss. Bud was such a sweet man. I enjoyed getting to know him thru Brenda when we worked at the Texaco. I pray God will be with you all and give you peace. Death is so hard on those of us left behind...but know he is in a much kinder place. God bless you all.*

“ Bud was a good man! He will be missed by many and loved by all. I know he thought highly of Freddie and he thought of Charles as his little buddy. He fought for a long time, now he doesn't have to suffer no more cuz he's in heaven where there is no more pain, sickness or suffering. We all will meet again one day! If there is anything that I could do, please let me know and I will do the best I can help in anyway I can.

“ Melissa and family, I am so sorry about the loss of your father and grandfather. It wasn't long ago that I went through a difficult time with the passing of my dad. How hard it is, but with the love of our Lord, there is comfort. May you trust in Him to help you.
