“ Steve, Tina and family I am so sorry for your loss. Just got home this afternoon (Monday) and saw the loss of Johnny. He was always a great young man wherever I met him. I can not understand the hurt and pain of your loss, but will keep you all in my thoughts and prayers. Just be thankful for the thirty years you had with him and remember all the love, smiles and laughs you shared. May God be with you during your time of sorrow. Bless you my friend. Charles

“ I am at a loss for words. I can't imagine what this is like for you all, and to David and Pat I know you looked up to your brother but now you just have to look a little higher as he shines down on you from heaven. I'd like to say time will make this easier, but that would be a lie since I know with my losses over the past few years that the void of a person can never be filled. Look to God in order to fill that void because that is all that seems to help me. I am praying for you all!!
