“ *I have known Juanita for a lot of years. She and her sister Lois was best friends with my mother, Virginia "Spot" Peters. They were big fans of the Atlanta Braves Baseball team. They were members of Edgemont Baptist Church and did a lot of Church things together. My mother passed away as well as Lois and it was at that time that my Aunt Helen (93) and I stepped in and became good friends with Juanita. We visited as much as possible and made many memories getting together with Frances, Athalene, Billie, Helen, and myself. Juanita is singing in Heaven with Melvin and all her family and friends who went before her. We Love you Juanita and will surely miss you.*

Juanita was my dearest friend. I shall miss our late night calls. I know Juanita is happy at last after her last five years on this earth. She had so many friends who passed before her. I am sure they are rejoicing in heaven with her along with her dear sister, Lois, husband Melvin and the rest of her family. She was a great Christian lady and she made me a better person just by knowing her.
