“ *Judy Cookes use to visit us on our Momma's patio when we were there visiting during the summers. Judy being like us & our Momma loved cats and owned several that she cared for. Mrs. Cookes her mother was our Momma's very sweet neighbor. Whom our Momma use to make desserts for her. Our Momma use to enjoy her talks from their yards during the summer months. Mrs. Cookes was such a sweet lady and her husband too. I remember always seeing Mr. Cookes out in his backyard lot working hard at keeping it so nice. Once he died his wooded lot never looked near as groomed as Mr. Cookes use to keep it. Glad our Momma and aunts had such nice neighbors in them. They and Judy will always be missed so much!!!*
