“ Robby and DeAnna I can remember many years ago meeting you, your mother and grandmother at the Church of God in Bluefield and then later working with Tim for many years. I heard today that you had lost your son and nephew. I can only imagine the pain you all are feeling at this terrible loss. I've read the nice things that everyone has said about Justin. I'm sure he was just as proud to be a part of such a special family. I will be praying that God will be with you and give you peace. you peace.

“ I first met Justin while we were taking our EMT class together. There was never a dull moment in class with him around. Having worked with him at PRS, I can honestly say it was an honor to know him and to work beside of and with him. He was always laughing, playing around and having a good time, but when it was serious, he knew what and when to do the things that needed done. He'll be missed as we continue, but I will not forget the calls and the times we worked together. He truly had a good heart and blessed the lives he helped make better and saved. Keith

I regret that I can not make it to visitation but my thoughts and prayers are with you and your family and my fellow EMS family as we all deal with this great loss. “ EMT's Prayer As I perform my duties Lord Whatever be the call. Help to guide and keep me safe From danger big and small. I want to serve and do my best, No matter what the scene. I pledge to keep my skills refined, My judgment quick and keen. This calling to give of myself, Most do not understand. But I stand ready all the time, To help my fellow man. To have the chance to help a child, Restore his laugh with glee. A word of thanks I may not hear, But knowing is enough for me. The praise of men is fine for some But I feel truly blessed, That you, Oh Lord have chosen me To serve in EMS.

“ My sincerest condolences for the family of Justin Mason, it was an honor to serve the community along side him at PRS. He will be deeply missed by many. Only comfort we have is that instead of saying good-bye, we can say see you later, because we will be able to meet him again someday. He touched many lives whether he saved them with his knowledge and skills or just making them smile with his contagious smile. Rest in Peace Brother Mason, you are forever in our Hearts.

“ I am a nurse in PCH's ER and was blessed to know "Mason" for a short time but always enjoyed his smile and his sweet manner. Abe Lincoln said that it is not the number of years in your life but the life in your years. Justin was here for such a short time but he touched and care for so many people. Your family will be in our prayers as you go through the next few days and months. He will be missed by so many and there are many praying for you. I hope you can take comfort from God's love and the friends that surround you and know that he was a remarkable young man.

“ Your Son was always a bright spot in my day everytime he walked in the ER. Always smiling and laughing. He and my Son Daniel went to school together at Bluefield and share the same birthday. He always had a hug for me and called me his "wife". I cannot imagine your grief at this time. Know that many prayers are being sent to your family to help you through this very difficult time.
