*I am so very sorry for your loss. I was looking at another obituary for a friend's mother and saw the obituary for your son. It caught my eye because I also had a stillborn son July 12, 2000. I doubt that there are any words that will comfort you now but I guess I just wanted you to know that I understand this devastating and overwhelming loss. I just wanted you to know that I care and I will pray for you.*
