“ I am so sorry to hear about her passing. I just met her for the first time about 3 weeks ago when I barged in on her. I am moving and it was suggested to me to go introduce myself to her. We had already decided that we were going to meet frequently and be the “bookends” of our townhouses. I was looking forward to having a new friend in my new adventure.
My heart goes out to her family and friends.

“ *I grew up with Kathy in Bluewell. I remember her being a cheerleader in middle school. We also belonged to a group of gals called the Debettes and were members of the same church. It was a shock to hear of her passing. Condolences to the Hale family.*
