“ *Keith and I worked together at the VA. I was so sad to hear of his passing. He was a fun person to work with and had a great sense of humor. He was so proud of his daughters and talked about them frequently. Keith's family will be in my thoughts and prayers during this difficult time.*

“ I worked with Keith at the Knoxville VA outpatient clinic. He was always very gentle and kind to our veterans. Keith was a very sharp guy and a pleasure to have as part of our staff. It was very evident that he loved his wife and children. His face lit up whenever he talked about them. We will miss Keith.
