“ *Sending my condolences to Pat, Shannon and Shea for your loss. I worked with Ken at Fairview and Bluefield Junior and learned so much from him. He was a true educator and leader with the student's best interest in mind in his decisions. Please be comforted by knowing that his influence enriched the lives of many, many young people. Ken once told me that a man who argues with a fool, begs the question of which one is the real fool. That little bit of wisdom has served me well over the years!
