“ I am very sorry to hear of Kevin’s passing. He took great care of my parents in their golden years, mowing their grass, trimming hedges and general handiwork that they needed. He was a a jewel of a man. Heaven gained an angel. God Bless you all.

“ Praying for Rhoda, Jess and Tyler. Last time I saw Kevin was at the flea market before he got bedridden. He had a smile that day and I’ve thought of that day and that smile every since I heard he had joined our Lord in Heaven. And I bet his smile in seeing our Lord was bigger than the one I saw. Rest In Peace !!

Kevin said in a conversation we had about the struggle he was going thru was that regardless of the out come " I'm a winner either way". I know his heart was to stay here with his much loved wife and family but the creator and Lord of Kevin's life had another plan. No doubt he has been told "Welcome good and faithful servant" because that is who he was here on this earth and now on the other side. Prayers for Rhoda and his children.

“ *Kevin was my ray of sunshine every Wednesday morning when I heard his lawn mower start up. I feel God absolutely put him in my life at the right time. We became very good friends and I made it a point to visit with him every Wednesday morning. Most of time we talked about our Lord and Savior and had prayer. I've missed him so very much during his battle with cancer, but we did stay in touch and I got to know his sweet wife Rhoda. I love these two precious people so much. They both have been a blessing to me. I'm comforted knowing he is finally home and is fully healed* ❤️❤️❤️

“ Kevin was my brother from another mother. I will never forget all he did for us in a time of need. There was hardly a day went by that we didn't talk, no matter where we were. Sometimes several hours. We never had a lack of conversation. I already miss him so much. I feel honored to call him my friend. Rest In Peace my Brother. Love you.
