“ *As Kristy's older 1st cousin by 10 yrs, I remember a very sweet, innocent, cute girl when we were living in Alton, IL. Our families were close and while this saddens me, I know she is with our Lord & Saviour and we will meet up again some day.*

“ *Kristy was an amazing woman and a pseudo 2nd mother for our children. I will be forever grateful for the care, compassion, and love that Kristy showed to Brooklyn and Olivia, as they have grown up her's and Maw Maw's care. Kristy will always share a special place in our heart as an extension of our family when Debbie and I couldn't be there. We wish Ron, Tabitha, Claire and all of Kristy's surviving family peace and love while they deal with their grief.*

“ Kristy was our second daughter she brought lots of love and joy to our family but also a few headaches 😭 I don't think she realized how much she meant to us and to Carol and her family. She is going to be greatly missed by families and friends. Love you Kristy. Mom and Dad
