“ *I believe people are given unbiological sisters in life and Lucy was mine. If she was a part of your life, it is now forever changed without her. My heart aches for her family left without her, but I know Lucy is with her dad and and brother. She was beautiful inside and out in every way possible. Our deepest sympathy to the family. Lucy, we will miss you more than you could ever imagine! Our last good bye's were never said, so until we meet again my bestie, love and miss you always.*

“ *Jimmy, Autumn, and Abbi - I cannot express how sorry I am. I will always think back to those wonderful memories of gathering at your house, playing cards, doing nails, and sitting on your porch just talking. I wish I could go back to those days. One of my fondest memories of Lucy was when I needed to talk to someone about a horrible event, I called early in the morning and Lucy answered the phone. She told me, "come on up (to the house)". I went to the house, everyone was asleep, except for Lucy. she made us coffee and just the two of us sat and talked that morning.*

I am in complete shock and it is horrible that you have to be in this situation - to loose a wife and mother. You'll always have her around. She continues to live in each of you.

*Love you,
Holly*

“ *Lucy was a dear friend of mine growing up. I cherish every memory deeply. From sleep overs to going to the pool in the summer, bathing her doh peaches and chasing him thru the house sliding on the wood floor,prank calls, pretending we were sisters, giggling about boys, she taught me how to do my hair and make up,and always built up my self confidence. She always had a smile on her face and a compliment for you. Truly a bright shining star with an infectious spirit you couldn't be sad for long around her. She will be greatly missed and is missed dearly. My condolences and prayers to her family I know this has left a big hole in their world. May God bless you with strength and comfort you during this trying time. God's speed Lucy goosey, we love you!*

“ In high school we were inseparable but lost touch over the years. Jimmy was my husbands best friend and Lucy was mine. I will always remember the laughs and fun we had back in the "good ole days". Our prayers go out to Jimmy, their daughters and grandchild.

“ I went to elementary school with Lucy & we were pretty close at that time. After 5th grade when I move to DC we lost touch. Throughout the years I have thought about Lucy but never knew how to get in touch with her. Sad to say, you scramble to reach out after it's too late. Cheri, much love to you! Stay strong! Lucy is watching over you now!! RIP Lucy!! You will be truly missed.

“ Why did the chicken cross the road, little 5 yr old Laura Lee asked me. To get away from Colonel Saunders, she replied. She had a very distinct sense of humor that she shared with everyone. Truly, to know her was to love her. I sincerely believe she was a devoted wife, wonderful mother, great sister, loving daughter, understanding daughter-in-law, a super homemaker and had her life continued, a fabulous grandmother. You were a delightful niece and a beautiful person in looks, charm and personality. May you watch over us til we meet again.

With much love and sympathy,

Uncle James and Kathy
