“ *Lauren and I have been friends my entire life and every moment  
that I have shared with her was a time spent laughing and being  
completely silly with each other. There was not ever a time that I  
would see Lauren upset because she was always so joyful and  
happy. The only time there was ever a problem is when we would  
get in trouble for obnoxiously singing in the hallways of bluefield  
high school or when we would just be insanely loud together. She  
was amazingly beautiful on the inside and out. We have a countless  
amount of memories and she will truly be missed. She is now in a  
better place and my prayers go out to Larry, Pam, Parker, The entire  
family, and each individual affected by this terrible loss. Rest In  
Peace baby girl. I love you so much!*
