“ We will miss seeing Uncle Dana in the summer months sitting in the back yard smiling and telling stories of him and Dad in the younger days. He was always a happy person and made you feel special when you were around him.

“ Dear Tina Star and Bill, I am sorry for your loss. He was a good uncle to me. When he and your mom would come to visit they would always seem genuinely interested in how we were doing. He was a loving, kind, and gentle man. I will always remember how he would smile when he spoke proudly about you. It was very evident he loved you deeply. That is what I remember most about him was the way he talked so fondly about you, I will miss him. It is like I have lost another piece of my Dad too. God bless you and may He comfort your heart that your Dad will be with Him in Heaven.
