“ *Mr. Brooks was an intelligent, nice, quiet man and I had the priviledge of meeting him only several times since I got into Ham Radio back in 1993. He remembered my father, George Jr., who was a pharmacist in the Bluefield area. He told me some stories about my Dad that i'd never heard before and it was neat to hear them. Best wishes to the family. 73 Lee..*

“ *It is with great sadness to learn of cousin Lee Roy's passing. I have fond memories of times spent with all of Uncle Roy and Aunt Dora's family during my summer visits from NJ to see my Brooks kinfolk. Lee Roy, rest in peace with all of your family and know that you will be missed.*
