

Leo Jackson "Jack" White

April 2, 1924 - April 9, 2021

Leo Jackson White (Jack), 97, passed away April 9, 2021, at Stonerise Princeton. Jack was born in Bluefield WV, the youngest child of Jesse and Laura White.

Jack graduated from Beaver High School in 1942 and joined the Army Air Corp, serving four years during and after World War II in England and France. He graduated from West Virginia Wesleyan in 1949 where he was on the football team. He received his Master of Science degree in Physical Education from West Virginia University in 1950, then his Administrative degree from WVU in 1969. He taught and coached at Beaver High School for four years, then taught and coached football, basketball, and track at Gassaway High School from 1955 until 1967. People in Braxton County still call him Coach White. While in Gassaway, he managed the city pool for nine years and made sure every young person in town learned how to swim. He returned to Bluefield where he taught in the Mercer County Schools, was Vice-Principal at Bluefield High School, Principal at Central Junior High, then finished his long career as an educator as the Mercer County Coordinator of Distributive Education. He served a term as President of the Mercer County Education Association and also was a delegate to several National Education Association meetings.

Jack loved sports, especially his beloved Bluefield Beavers and the WVU Mountaineers. He was kind, thoughtful, and generous. He had only good things to say about everyone. His biggest fault was telling jokes that elicited

groans and rolled eyes, and he always had a new one. He loved his family, especially his three granddaughters.

Jack was an active member of Trinity United Methodist Church, was a certified Lay Speaker, and served as a delegate to the West Virginia Annual Conference at WV Wesleyan. He was a member and officer of the Bluefield Lions Club. He served his city as a member of the Bluefield Public Housing Authority. He was on the Board of Directors for the "Bible in the Schools" committee for many years. He enjoyed helping with the Lions' Club Pancake Breakfasts and the WV Coal Show. He also took pride that he could move people through the ticket booth line at Mitchell Stadium for a Beaver game faster than any other ticket salesperson.

The family thanks the staff at Stonerise Princeton for their loving care this past four years.

He was married to Louise Brewer White for 55 years. He is survived by daughter Barbara Foster and husband Bob of St. Albans WV, son David White and wife Ann of Henderson KY, daughter Martha Horne and husband Justin of North Chesterfield, VA, and three granddaughters, Robin Foster of Brisbane Australia, Julie Foster of New York City, and Pamela Horne of North Chesterfield VA, and several nieces and nephews.

Funeral services will be conducted on Friday April 16, 2021 at 2:00 p.m. from the Mercer Funeral Home Chapel with Craig Hammond officiating. The family will receive friends on Friday from 1:00 p.m. until the service hour.

“ Praise God for the life and influence of Mr. White. I had the pleasure of being his neighbor for 10 yrs before moving. His wisdom and insight will be forever treasured. My fondest memories are of him sharing how he got thru WWII and critiquing my jump shots, telling me to never leave on a miss...a mentality I carry to this day. My prayers and condolences to the family. However, I rejoice, because I know that Mr. White is in the arms of the Father, as the good and faithful servant he was.

“ It was a pleasure to know Mr White, and a privilege to work with him. His wisdom and witty comments made time spent in conversation with him an experience I enjoyed. He held to his values. I have, and always will, hold him in such high regard. Earth's loss is so Heaven's gain. I have no doubt Peanut was waiting to greet him.

“ We were so sorry to hear of the passing of Mr. White. I attended school at Central Junior High back in 1973 to 1975. I thought very highly of Mr. White. My husband Charles just recently spoke with him on the phone reminiscing with him and he remembered us with great clarity.

We will be in prayer for the family during this most difficult time.

Sincerely Charles & Cynthia Pollard Carl
