“ *Very saddened to hear of Linda's passing. I worked with her for 23 years, I knew her before I knew myself. She was always kind and each time I was in the office talked my ear off. Definitely one of the people I miss from my time working at Allegheny!* ”

*Linda was a great friend and I was happy to have seen her shortly before her passing, she was watching a football game and talking of old times at the sawmill where we shared many memories together. She was still talking about wanting to go back to work and how she missed it. Rest in Peace Linda you will always be remembered and missed.*
