“ *Dear Terry and Linda,*

I grew up across the street from you and was your babysitter until I graduated from highschool. I always loved your mom and she mentored me in many ways. She was not only wise but beautiful. I stopped to see her one day when i was back for a reunion a few years ago but she was out--so like her. I remember all of you with love and affection and hope you now find peace and comfort in the many happy memories you share.

My love and prayers are with you.

Linda Jo Whitehead Carter.

“ I just learned of your Mother's passing and wanted to say I am so sorry for your loss but rejoicing too that she is now at peace. I didn't know Mrs. Wells before her illness but would have loved to. Although confused, we could tell she was such a lovely lady when she came to Glenwood. Before her fall she always seemed so happy to see me or my sister Mary and would walk the hall arm in arm sometimes and talk and laugh what we could. We will truly miss her. Sincerely, Donna Faw

“ Teresa and Linda, I loved your Mother a lot. We used to exchange Christmas Cards every year and tell each other what had happened in our lives. She always envied all my grandchildren, and was very proud of the one she had. I will truly miss her. I always looked for her at the mall when I came in in November after Thanksgiving. Maybe I will see you there sometime. Take care. Love you girls
